Minimum Order Charges:

A handling charge of \$10.00 will be added to orders of less than \$150.00 list. Custom and GamedaySelect fill-in minimum order is 6 units per style and color. A 100% surcharge will be applied to orders of 1-2 units, and a 50% surcharge for orders of 3-5 units.

Lettered Orders for COD Shipment:

All returns for plain merchandise must be clearly marked with an authorization number or label obtained from our office. All returns for lettered merchandise must be clearly marked "LETTERING." When requesting an authorization label, the following information is required: Reason for return, Invoice #, Style #, Color, Size/Quantity. An authorization label will then be sent to you to prepare the merchandise for return shipment. We reserve the right to repair, replace or issue credit for any merchandise returned. A 15% restocking fee and shipping charges will be charged for merchandise returned that is either not damaged or the damage is determined not to be our fault. All worn garments must be properly laundered prior to return or they will not be accepted.

All custom and custom-stock uniforms may not be returned under any circumstances if delivered properly.

Shortages:

All claims must be made within 10 days of the invoice date.

Samples will be entered and billed as a regular order. Samples cannot be returned without prior approval from our office.

Imprint Orders:

All imprint orders must be emailed, mailed or faxed in with detailed instructions on UA order forms. Imprint orders will not be taken by phone. Once garments have been lettered, the order cannot be cancelled or returned.

Under Armour will not be responsible for any items not checked for order accuracy or sizing before being sent to a printer/screener. We will not be responsible for shrinkage, defects, or damages caused during the imprinting of our garments by sources other than our own lettering department. Screenprinting sublimated uniforms can cause color migration. We do not recommend screenprinting on sublimated garments.

Photography is the property of Under Armour and is not to be used without written authorization.

UNIFORM CARE INSTRUCTIONS

To enhance the appearance and extend the life of your uniforms, Under Armour recommends that you follow these cleaning and storing procedures:

DO NOT DRY CLEAN

DO NOT WASH IN HOT WATER

DO NOT USE CHLORINE BLEACH

DO NOT USE FABRIC SOFTENER

DO NOT WASH WHITES AND COLORS TOGETHER

DO NOT OVERLOAD THE WASHING MACHINE

DO NOT MACHINE DRY ON HIGH HEAT

DO NOT LEAVE WET OR DAMP GARMENTS IN YOUR TRAVEL BAG, IN A PILE WITH OTHER CLOTHING OR IN WASHING MACHINE

- Pre wash uniform prior to use.
- Uniforms should always be laundered immediately after wearing. However, if this is not possible, rinse garments and hang individually on rust-proof hangers. (Moisture may cause color migration of acid dyes so we advise separating wet or damp uniforms.)
- Belts and any other contrasting color items should be washed separately from the garment.
- It is always advisable to test wash a single uniform according to directions before washing an entire load.
- Wash and rinse all garments in warm water (approx. 110°) with mild detergent. Remove promptly after wash cycle.
- For optimum results, hang garments (especially those with elastane) to dry. If you cannot hang dry, machine dry on the lowest setting. Turn jerseys inside out before machine drying. Remove items from dryer immediately upon completion of the cycle. (Excessive heat can cause fabric shrinkage, discoloration, and cracking and peeling of vinyl plastisol lettering inks.)
- Make sure uniforms are completely dry before storing. Store in a dry area to prevent mildew. Protect them from sunlight and fluorescent light to prevent yellowing.

PLEASE NOTE: Under Armour will not be responsible for uniforms that are damaged due to improper care and maintenance. Failure to follow our specified care instructions will void all guarantees.
