

Facebook has drastically changed the game of communication around the world. With over 2.8 billion users and counting, it's a crucial venue for marketing your e-Commerce business. How can your existing store benefit from a strong facebook presence? Is facebook, as a marketing platform, right for your company? The answer is yes—facebook's impact on marketing has been insurmountable and its success stories just keep coming in. It's time for you to tap into facebook's success by utilizing Kaizen's services today.

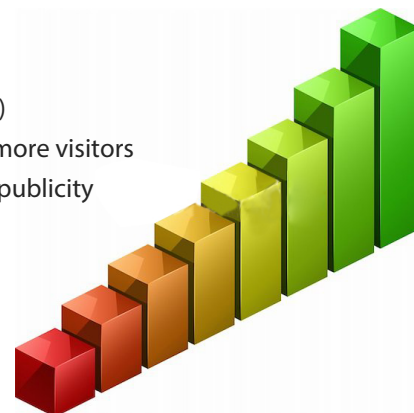

What are the benefits of Facebook e-Commerce?

- It's a safe and trusted e-Commerce platform that offers a robust, diverse customer base
- Unprecedented, advanced marketing opportunities
- Increased consumer interaction
- A better online shopping experience for your customers/social network
- Help your customers get to the shopping cart in the fewest clicks
- It will help build your company brand with daily posts, quotes, and photos
- It's one of the most used sites on the internet, with the average person spending more than 2 hours per day on the site
- Consumers can get a better glimpse of your business ethos and attitude through your posts and links

What can Facebook and Kaizen do for your business?

- Gain a higher profit margin and a larger following (i.e. expand your clientele base)
- Bring out limited-edition products available only through f-commerce to attract more visitors
- Lend a social angle to the entire business and profit from viral or word-of-mouth publicity
- Hold daily, weekly, monthly raffles to promote items
- Update customers about deals of the day, new products, sale items, and more
- Direct communication with all of your subscribers
- Provide a visual, personal portrayal of your e-Commerce business

The main distinction between your facebook presence and your e-Commerce store itself lies in the marketing of your products. There's no question of your marketing messages becoming intrusive through facebook, because only your selected customers and interested audiences will receive notifications and promotional messages.
